

## **ATTENTION FORT McCOY SPRING TURKEY PERMIT APPLICANTS:**

### **Information/Requirements**

**Categories:** All applicants are required to identify their status using one of the following categories: **Category A** – Active and Retired Military, Reserves and National Guard and their legal dependents; **Category B** – Fort McCoy Department of Defense and NAF civilians, retired civilians and their family members, and other US Government Civilian ID Card Holder; **Category C** – General Public (those who do not qualify for Category A or B). **This information is not used as a preference system for issuing permits**, but is used to determine the number of military, civilian government employees, and general public that participate in the various Fort McCoy hunting seasons. Military personnel, Fort McCoy civilians, and the general public all need to apply during the application period to have an opportunity to obtain a permit.

**Application Requests:** Spring turkey hunters need to send a self addressed, stamped envelope to receive a Spring Turkey Application. This will be the procedure for **all** hunts. Applications and return envelopes may also be obtained by e-mail at [permitsales@emh2.mccoy.army.mil](mailto:permitsales@emh2.mccoy.army.mil) or download from our web page at [www.mccoy.army.mil](http://www.mccoy.army.mil).
